### **Reasons for Allowance**

1. The following is an examiner's statement of reasons for allowance: claims 12-16 are allowable over the arts of record. This is because the arts of record do not specifically disclose a photolithography system as recited in claim 12, and including: an automation host computer operable to poll the photolithography toll to obtain data reflecting the logged movement of the stage, the automation host computer further operable to analyze the data and compare the data to predetermined error conditions and to take a pre-determined action in the event the data meets the pre-determined error conditions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
